## *A letter from the President, Matt Simeone*

**Matt Simeone**

**Email: [mjsimeone@gmail.com](mailto:mjsimeone@gmail.com)**

Dear Members,

Our Club is enjoying a positive and productive year and the MFC Team, the committees, and the Board continue our efforts to improve and enhance Member services and experience.

I would like to announce Jeff Beam as our new Greens Chair. Jeff is a highly respected member who has served MFC for many years, and we look forward to his leadership for the bunker repair project and for raising Member awareness of course conditions and repair.

Member support for our Thursday and Friday dining and bar services has been outstanding, and we appreciate the strong partnership with Nick and the entire Foodwerx team. We will be adding special dinner nights to the calendar (first one on Wednesday August 5th) and plan to expand hours and services in the fall months. We continue to follow the State of NJ rules and plan to launch indoor dining once it is permitted. Given our limited dining options, we will continue to defer and accrue the food minimum until normal dining services are available.

The golf and tennis calendars have many great events upcoming. Please register with George and Mike and also continue to take advantage of their lessons and services.

Enjoy the balance of your summer!

With best regards,  
Matt Simeone  
Board of Trustees, President

The golf course continues to see an increase in play even though things have settled down a little. We will continue to utilize tee times and will monitor the need over time. For now please continue to email your tee time requests to [MFCteetimes@gmail.com](mailto:MFCteetimes@gmail.com) and to call the shop for same day tee times.

### **Golf Shop News**

Fall gear will begin to arrive in the coming weeks. I am expecting a couple of summer orders to still arrive. All in stock Men's and Women's clothing is 30% off with some items 50% off. In stock shoes are now 25% off. Let's make room for some great Fall gear.

### **Events**

There are four match play events currently being played. The Women's Presidents Cup, the Stokes and Greenwood Cups and the Men's Club Championship. The Women's Presidents Cup had a large increase in participation this year with 18 players signing up. Audrey Brisson has secured her spot in the final four with other matches occurring this week.

In Stokes Cup action, defending champion, Jerry Miller made the final 8 along with Tim Casale, past champ Dave Higgs and Doney Largey. Brian Deam is the first to secure his final 4 spot by taking out Rich Meintel in the round of 8.

We are nearing the final 8 in the Greenwood Cup and there has been some great action to report. The team of Tone and Tone overcame a 3 shot deficit at the turn with an off the green birdie by Will on the 18th to avoid sudden death. Other teams in the final 8 are brothers Frank and Nick Busa facing off against Brian Deam and Mike Wilson, Garrett McVaugh and Doney Largey match up against Kevin O'Sullivan and Brian McCarthy and defending champions Peter Ellison and Ed McGugan continue their charge toward the final 4.

The Men's Club Championship took on a new look this year with a qualifying event on July 11th for the low 7 players to be seeded in a bracket of 8 with defending champion Doug Dreby. The event is being played from the new Championship Tees. Pat Fowler will challenge Doug Dreby later this week in round 1. Already in the final four are Will Tone who defeated Chris Chesner, Tim Casale who defeated Garrett McVaugh and Eric Piro who defeated Jeff Beam.

Stay tuned for upcoming events.

## *A letter from Men's Golf*

**Men's Golf- Tim Casale**

**Email: [timc52478@yahoo.com](mailto:timc52478@yahoo.com)**

Men's golf has continued tournament golf and held the President's Cup the last weekend in July. Doug Dreby shot a sizzling 6 under par 138 and took the Gross prize. Garrett McVaugh shot a 148 to finish second. On the Net side, Jack Evans and Doney Largey each shot 144, but Jack won on a match of cards. Congrats to all of the winners.

**The Greenwood and Stokes Cup:** Both tournaments are moving along nicely and I would still like to implore those that are still involved to do your best to schedule matches at your earliest convenience. The hope is to be complete by summer's end.

**Club Championship-** The originally scheduled 27 hole qualifier was cut down to 18, given the 6 inches of rain we had the day before, no use of carts and extreme heat being called for on the day of. 18 holes using the white front nine and then front black tees were used to determine the 7 qualifiers for the bracket round. Yours truly used an eagle on 2 and a birdie on 3 to springboard early good vibes and hold together for a 72. This was followed by a solid 74 from Jeff Beam. Wil Tone used 3 birdies in a row on 16-18 to shoot 75, while Chris Chesner and Eric Piro pieced together 77s. 4 players (Garrett McVaugh, Peter Ellison, Pat Fowler and Jon Mabry) were tied with 78 and it would take some extra golf to get our final 2 golfers. On the first playoff hole Garrett birdied to take the 7th seed. Jon was eliminated with a 5 and Pat & Peter pressed on for the final spot. It took 5 more holes before Pat came out on top on hole 6, earning the 8th and final seed. The bracket round has begun and we hope to have a Club Champion before the end of August.

George and I will be working closely the next few months to plan out as many events as we can. We will hope to add a more social aspect to our events as we are allowed.

## *A letter from the Tennis Pro Mike Perrone*

### **Tennis Pro Mike Perrone**

**Email: [mptopspin@yahoo.com](mailto:mptopspin@yahoo.com)**

Welcome New Tennis Members

It appears every week we are adding more and more tennis members to MFC. Individuals, couples, and juniors are all joining and having fun playing tennis now at MFC.

Many of these players became exposed to MFC through the instructional programs participating in drills and wanted to be more of a "regular" at MFC.

It's great to see the new faces on a constant basis. We are anticipating more new members as MFC has truly become the place to play outdoor tennis. Players recognize our outstanding programs and various level of players constantly out on the courts. Good luck all new members with your play and we hope you enjoy the club.

### Club Tournament

Beginning in September we will hold our MFC tournament in three categories.

Men's singles

Mixed Doubles

Women's Doubles

We will post a signup sheet on the tennis house and all members will be emailed details very soon. Hope that you give it a try if you have not in the past.

### Har Tru Rules

It is important that all players that play on the har-tru courts follow these rules.

1 Brush the entire court after play or before play if you are first on in the morning.

2 Place the brush metal side to the fence after brushing. Don't try and force brush side to fence as bristles will get damaged. You know it's correct if brush easily lies against fence.

3 Do not cross the hard court after play as you track wet clay on the court.

4 Sign your guest in on the board by the court before you play. Please do this before you start so you don't forget. Members have become better at signing in guests, but this area still has to improve. You should not have to text Mike and ask him to sign in your guest because you forgot. If this area does not improve then guest fees may increase and possibly limiting even more the amount of times a guest can play.

## *A letter from the Tennis Pro Mike Perrone*

### Congratulations Nick and Nate

Nick Maravich who has the longest record as MFC men's champ has been very successful taking his skills out to USTA tournaments. Nick competes regularly in men's tournaments throughout the tri state area and his results are quite impressive. Nick has played five tournaments this year and made the finals in all five winning three. He also is quite successful in various leagues against men of all ages. Keep up the good work Nick and thanks for representing MFC well.

Nate Perrone now a senior at St Joe's University recently reached the finals of the Delaware clay court championships. Nate won 6 matches in the 128 players draw finally losing to U of Michigan's number 1 player in the final. Nate also won the doubles collecting prize money in each event. The tournament contained some of the best players in our tri state area, some world ranked. Thank you, Nate who works with some of New Jersey's national ranked players at MFC for representing our club at such a high level.

### Tennis Programs booming

Both our adult and junior programs are bringing in big numbers.

Our new junior program held three days a week each week throughout the summer has been a huge success. Young players 8-14 are playing outside in very warm weather learning and having a lot of fun.

The adult program mainly comprised of multiple adult drills a day has become a fixture for many of our members who love the workout, fun, and intensity of the drills. Drills often reach 3 courts of players with over 120 spots per week. MFC is clearly the leader in adult programming amongst indoor and outdoor clubs in our area. Thank you to all members!!

### Tip from the Pro

Make a correct line call.

This is how it works-no gray area here. You need to call a ball in or out as soon as the ball lands near the line. If you delay, then it's assumed in. If the ball hits any part of the line it is in!! You must make the call loud enough for your opponent to hear it.

In doubles if you call it in and your partner calls it out it is now in. Call must be unanimous. If not, you lose the point.

Even with COVID-19, time marches on, so here we are in August entering the second half of our golfing season.

We continue with our President's Cup and are down to the "elite eight". The final match should take place by the end of the month.

Our Tuesday tournament schedule for August:

4th - Odds

11th - Nassau

18th - Evens

25th - Nassau

During this time of restrictions, we are so fortunate to have the field club to play, exercise and socialize in a safe way. Please, let's all treat the course with the gratitude it deserves.
