## *A letter from the President*

**President: Brian Deam**

**Email: [nittneelion@gmail.com](mailto:nittneelion@gmail.com)**

Dear Members,

Don't you just love this time of year - crisp mornings and warm afternoons. Perfect for golf, tennis, bocce and pickleball. Unfortunately, daylight is ebbing away, so be sure to make your tee time and court reservations.

I recently played in a charity event in Galloway Township at a semi-private course. It was in decent shape and the greens were fast. But the next morning I was back playing at MFC and noticed in how much better shape our course is. John Carpinelli and his team have done a great job this year. It was just another reminder of the value of the Club.

Thank you to the members that attended the Special Membership Meeting on Tuesday, September 14th. Phase 2 of the Bunker Rebuild program was unanimously approved and will start later this month. There was some concern that we are removing the tree to the left of #1 green. This is necessary as the roots are growing in to the green and the #7 bunker. But we will plant a new tree (as mature as possible) about 20-30 yards away from #1 green.

The Board has issued the Member Satisfaction Survey. Please take a few minutes to respond so we can assess your level of satisfaction with the Club and secure feedback on potential initiatives.

Our thanks to the Nominating Committee for selecting the slate of candidates for this year's elections. We are asking candidates to submit a statement expressing their interest in and qualifications for the position. The statements will be included in the ballots sent on Oct 15th and are also included in this month's Newsletter.

Be sure to read in this Newsletter an article by John Carpinelli highlighting the contributions of so many members to the Club. Our thanks to all members for enhancing the experience for everyone at the Club.

Congratulations to Pat Fowler for winning the Sr. Men's Golf Club Championship - that makes it two in a row for Pat. Congratulations also to Jon Mabry, Super Sr. Champ; Jack Evans, Legends Champ; and John Diepold, Low Net Sr. Champ.

## *A letter from the President*

**President: Brian Deam**

**Email: [nittneelion@gmail.com](mailto:nittneelion@gmail.com)**

This month's appeal to improve the membership experience focuses on reservations. Whether for dining, golf, or tennis, if you reserve a time and your plans change, please call to cancel your reservation, especially if it is a large group. And as always, please be aware of your language in the Clubhouse, especially the bar.

This month's Trivia tidbit: the word "bocce" stems from the vulgar Latin "Bottica", which is a direct root of the Italian word "Bocce", which means to bowl. The first true documented case of Bocce Ball was in a 5200 B.C. Egyptian painting that showed two boys playing. And you thought golf was an old sport!

Enjoy your October and we'll see you at the Club.

Yours truly,

Brian Deam

Board of Trustees, President

## *Statements from Nominee– Thomas Morris*

Hello MFC members,

My name is Thomas Morris, and I am running for the MFC Board of Trustees - At Large position. Many of you may already know me but for those who do not, please allow me to introduce myself.

I am a graduate of Drexel University with a degree in Electrical Engineering and have spent the past 34 years working for the Naval Surface Warfare Center in Philadelphia helping keep America safe. I am also active in my community and volunteered as a youth football coach (Pop Warner) for 12 years. My family and I are active parishioners of St. Charles Borromeo Church and I served 6 years as a volunteer on the Worship ministry for the Children's liturgy of the Word, at Sunday mass. Additionally, I currently serve on the finance committee of the Seahaven Condominium Association, located in North Wildwood NJ. Since joining Moorestown Field Club I have been an active member supporting this club in many ways.

Our family enjoys MFC, and we have seen many improvements since joining MFC seven years ago including renovations to the clubhouse, Golf Simulator in the basement, Bocce Courts and League, Pickle Ball court and league, the social gatherings and themed dinners, and the most recent addition of a bar. While these enhancements provide enjoyment for our members and their families, they also entice younger golfers, such as my son Matt, to join the club.

As a dedicated member and supporter of MFC, I am seeking your support to join the Board of Trustees so we can capitalize and accelerate this positive momentum and together continue to enhance the amenities provided to our members.

If I am considered for this position, there are several areas of opportunity I would focus upon including:

- Continued Improvement to the golf course - structural and cosmetic
- Additional enhancements to the clubhouse and Patio
- Enhancing the member experience for everyone - tennis, social, couples activities, and golf
- Utilization of technology to enhance communications
- Financial discipline and long-range planning

I initially joined MFC when my youngest child started college in hopes of enjoying some golf in some anticipated spare time. Membership at MFC has been awesome and I have made some very close and lasting friendships at the club. I often find myself recruiting others to the amenities our club has to offer. In summary, I believe my personal and professional experience will complement the board membership and ask that you consider me when choosing the best candidate.

Respectfully yours,  
Thomas Morris

## *Statements from Nominee— Ben Blank*

I first became a member of the Moorestown Field Club during my childhood and then joined again once I moved back to Moorestown, after the completion of my schooling. Like many of my fellow members know, I believe that the Field Club is a true gem that keeps getting better with time. I am a lifelong resident of Moorestown leaving only to attend Villanova University for my undergraduate work and Philadelphia College of Osteopathic Medicine for medical school. I am a family physician with a busy practice that I founded 25 years ago in Glendora, NJ. My lovely wife, Susie, and I live with our four amazing boys in my childhood home.

My willingness and dedication to serve is demonstrated through the various board positions I have held in the past. These positions have included President and Secretary of the Moorestown Breakfast Rotary Club, Chair of the Moorestown Recreation Advisory committee, physician advisor for the YMCA risk management committee, and Vice President of the Moorestown Lacrosse Club. I have been on the Field Club's nomination committee, long range planning committee, and bar committee. I am currently the chair of the House committee. I believe the experience and lessons learned from these various positions give me the qualifications needed to successfully serve on the Field Club's board. I can offer the Board someone who will listen to all groups in the club, work hard, and offer a levelheaded, common sense approach to governing.

Thank you for considering me as I seek your support as we strive together to make the most of the Moorestown Field Club.

Thank you,  
Ben Blank

## *Statements from Nominee— Jerry Miller*

Friends and fellow Moorestown Field Club members, as I conclude my second term as a Trustee and interim Secretary, I seek your consideration and support for election to a full term as your Secretary. In addition to my satisfying time as a Trustee, I have also served the Field Club as Greens Committee Chair, am a member of the Long Range Planning Committee, and have served on past Budget and Building Committees. I love playing golf at MFC! I have been honored to represent the club in GAP Team Matches and the 1892 Cup. As a member since 2007, I have witnessed highs and lows at the club in membership and finances. I hope to continue to serve the membership by providing stability and experience to our dynamic Board.

Thank you,  
Jerry Miller

## Statements from Nominee— Tim Casale

In the summer of 1991, my parents joined MFC as part of a family membership. I was 13 years old, heading into 8th grade. I had dabbled in golf since I was 10, playing public courses in the area, but was amazed at the privilege that I now had at my disposal. I was a constant fixture on the course or the two putting greens, working on my short game. I learned rules and etiquette from members who invited me into their groups. I took lessons from the pro and immediately started playing in GAP Junior Tournaments the following summer.

Through the years, my handicap became low enough to participate in men's golf tournaments, even as a junior golfer. I enjoyed meeting and socializing with adult members. I watched as my dad was asked to serve on the board as a trustee and as the club secretary. I then started taking on leadership roles in different activities. I knew that if I remained a member, one day I would like to be involved in the club, helping to make decisions to improve it.

Below is a list of the ways I have served the Field Club. My passion for our club has only grown stronger since my days as a junior golfer. I want to continue sharing my passion by serving as a board trustee to continue making MFC a great golf course, a great club and a great community.

### **Moorestown Field Club participation**

- Member of the Field Club for 30 years
- Played on the MFC Junior Golf team for 6 years
- GAP Junior-Junior Boys Championship Flight Winner (1992)
- GAP Junior Boys Championship Flight Winner (1994)
- Served as Junior team coordinator and chaperone for 5 years 2002-2007
- Served as GAP team Captain for 7 different seasons
- Played as GAP team member for over 18 years
- Served on the Nominating Committee (3 times)
- Served on Men's Golf Committee (6 years)
- Organized the Men's Member-Guest on numerous occasions
- Men's Golf Chairman 2020 & 2021
- 2 time club champion (1996, 2016)

## *A Letter from the General Manager*

Putting together a list of people to recognize for their volunteer work at the club is a daunting task. With so many people offering their valuable time, effort, and generous donations, it is a monumental effort to recognize everyone by name. So, to avoid missing anyone, it's appropriate to say that the Moorestown Field Club truly appreciates all its members that have contributed to the Club. With that said, it's also appropriate to recognize certain individuals for their recent contributions to the Club.

I couldn't possibly be more appreciative of the generosity that the BFA (Best Friends Association) group has shown MFC. Here are a few of their donations: \$5,000 toward Bocce court construction, \$5,500 toward the rehab of the card room in the basement, materials and labor to construct the firepit out by the patio, Adirondack chairs on the grass in front of patio, along with countless other gifts to the club. This group is avid supporters of the bar and restaurant and a very vital cog in the operation of the club.

Jeff Beam has been a member of MFC for several years. Not only has Jeff served on the Board and various other committees, but he has donated his skill of pouring textured flooring throughout the club. As a representative of Stonehard, Jeff has installed flooring in the bag room, downstairs cardroom, bar area and waitress station. Not only has Jeff saved MFC money, but he also put in a superior product that will last for many years.

Chris Firesinger is an MFC member and electrician. Chris has saved the club thousands of dollars by volunteering his time and expertise upgrading our electrical wiring, POS hardware, and firewall both in the old clubhouse and addition. Chris has been available at any hour to come and solve an issue. He is a very valuable MFC member and all-around great guy.

Sam Schlindwein is a real friend to MFC. Sam is willing to volunteer at the drop of a hat to assist the crew on any task to be completed. Sam joyfully ripped down the old pro shop with a backhoe in record time. Sam has helped us to fill in bunkers on the course, bring heavy equipment over to move large amounts of fill dirt and stone, and will relocate the large flagpole in the parking lot early in Oct. He loves BBQ too and a couple times a year I try to take care of him and his crew by smoking some meats.

Katie Alexander and her "partners in crime" are our resident landscape experts. You may see Katie staking out areas to plant different material to improve our curb appeal or taking off in the club truck to purchase plants at a secret nursery. All kidding aside, I am forever grateful to Katie and crew for their tremendous help.

Once again, I would like to thank ALL the members of MFC. I think over time all of you have contributed to making MFC the unique club that we are all lucky to be a part of.

John Carpinelli GM

## *A letter from the Golf Pro, George Frake II*

### **Golf Pro-George Frake II**

**Email: [Gf2golfpro@gmail.com](mailto:Gf2golfpro@gmail.com)**

### **Upcoming Events**

- Wednesday October 27th: Retirees Closing Day
- Thursday October 28th: Ladies 9 Hole Group Closing Day 9am shotgun Course closed until Noon
- Saturday October 30th: Men's Closing Day AM Tee Times
- Superintendent's Revenge: November date to be determined
- Holiday Cheermeister: Saturday December 4th 10am shotgun start

Please remember that golf shop credits expire at the end of the year. The shop is full of new merchandise for the Fall and Winter and orders are still arriving.

### **Holiday Golf Shop Sale**

The annual Holiday Golf Shop Sale will take place on Thursday December 2nd, 4pm to 7pm. Stop by for the best sales of the year on current and new merchandise.

## *A letter from the Golf Pro, George Frake II*

**Golf Pro-George Frake II**

**Email: Gf2golfpro@gmail.com**

### **Course Record**

A new mark was set last Sunday, October 3rd as Kevin Kramarski tapped in a short par putt on the 18th green for an incredible round of 62. Yes, he played 18 holes. His round featured 9 birdies, 1 eagle and a solo bogey on the 17th hole. Kevin got off to a hot start with a birdie on 1, a chip in eagle on 2, and another birdie on 3. He added birdies on 6, 7 and 9 to complete the front nine in 29 strokes. On the back nine Kevin made a scrappy save for par on 10 and then settled himself with a birdie on 11, solid pars on 12 and 13 and a solid birdie on 14. A 2 putt birdie on 15 and a solid chip to a foot or so from the front of the green on 16 put Kevin 11 under par with 2 holes to go. A bogey on 17 would dim any thoughts of 59. Yes, a birdie, birdie finish would have given him 59, it is crazy just typing it out! I watched Kevin on the 18th green attempt to make his 15 footer for 61. He hit a good putt but just missed. Kevin's record setting round was witnessed by his Mother, Jill Ackerly and his cousin Allison Rohrbach.

Over the long history of the club many great rounds have been played at MFC. George Smith, head pro in the 30's and 40's carded a 61 prior to irrigation and trees. Butch Schmehl and his son Eric both posted 63's and have been recognized as the modern course record holders. Now Kevin Kramarski has notched his place in MFC History with his round of 62. Congratulations Kevin.

**Please remember to check in with the Pro Shop before**  
**Teeing off or when using the simulator!**

## *A letter from the Tennis Pro Mike Perrone*

### **Tennis Pro Mike Perrone**

**Email:** mptopspin@yahoo.com

### **Club Tournament**

Our club tournament is moving along well with all three events nearing completion. Currently Steve Graham and Hipple are still undefeated in the mixed doubles round robin with Amy Webb/Beth Cashan and Alli Rohrbach and Andrea Giacobbo undefeated in women's doubles. In men's singles Steve Graham and Nick Maravich have not yet lost in the round robin format. Nick is vying for his 7th consecutive men's singles title.

Thank You to all that are competing and taking the time to complete the tournament. We will have winner results next month.

### **Junior Program**

Our junior program is now 4 days a week Monday-Thursday and our players continue to improve each week. A few players are participating all 4 days and plenty doing multiple days. Keep up the good work.

### **Adult drills**

Our MFC adult drill program continues to grow! We are already the largest drill club among all area clubs indoor and outdoors and the demand continues to increase. Every week new players will want to become part of the instructional program as there are drills set multiple times per day now for multiple ability levels. It's not uncommon to have 4/5 large multi court drills in one day. Players like the fast pace, instruction and cohesive level.

### **Thank You Craig**

Craig Mehnert, a MFC tennis member for the past 4 years, deserves a big thank you for organizing the Monday, Wednesday morning doubles play. It was a mix of some of our senior members and team members who played just about every week beginning in May. Craig will always lend a hand to help MFC tennis from feeding a few balls in large drills to shoveling snow for our winter program. Craig is not only a very supportive member, but a very nice person and player.

### **Tennis Tip**

Doing so many clinics a week, I feel that every couple weeks a new issues arises that seems to be somewhat common among the groups. The past few weeks we have been addressing the need for variety in one's game. Let's not hit the ball to the same place each time, the same pace, with the same spin. Mix it up!! Let's hit more down the alley, cross angle, some lobs, or anything that keeps your opponents guessing. I would come up with a rough percentage to stick to throughout the match with drives/lobs, cross court/down the alley, and low balls/higher balls. Think of it this way. If a baseball pitcher threw a 100 mph fast ball all the time over the same part of the plate, he would be effective at first. As the game progresses, hitters will adjust and be prepared and by mid game begin hitting this pitch well. Curve balls, change ups, and sliders thrown in with that fastball will keep the batters guessing. You need to be that multidimensional pitcher on the tennis court!!!

## *A letter from Men's Golf*

**Men's Golf– Tim Casale**

**Email: [timc52478@yahoo.com](mailto:timc52478@yahoo.com)**

As the calendar turns to September and October, the summer officially ends and the time of "playing golf whenever able" begins to wane. For some, the fall weekends get filled with family activities or kids' sporting events and the 9-5 jobs have less time to get that "quick nine" in after work. Autumn golf brings fallen leaves hiding our golf balls, while pullovers and pants replace shorts and polos. The days and time get shorter on the golf course, but the cooler weather and amazing colors make it a time to enjoy the outdoors and time with friends or even competitors.

I have definitely been playing less golf than I was before Labor Day, but when I have been on the course, the greens and fairways have been in great shape. As the season winds down and our bunker project gets underway, please be understanding of the work being done and give our crew distance as they work to improve our course. We all know that this final phase will drastically improve each hole and our overall experience at MFC. I can't wait to see the changes.

Last month I mentioned that professional team golf would be in the spotlight in September and was it ever. The LPGA's Solheim cup was great theater and although the US team was defeated, the matches showcased just how good LPGA players really are. The US men, however, led by arguably their strongest team ever, put on their most dominant performance in over 30 years. It was fun to watch such good golf, but with little doubt that the US was going to win come Sunday, I did miss the drama. I hope you were able to catch some of the best golf this year on a pretty scenic and challenging golf course in Whistling Straits.

As for team golf at MFC, in the Member-Member held on 9/11 and benefiting Patriot Day, teams played three 9-hole matches against the other teams in their flight. After 3 flight winners and a wild card were determined, those winners moved to an elimination shootout. It took 5 extra holes, but Andy Hall and Chris Locatell overcame Mike Testa and Brian Paquette. Some impressive golf was played during the flight matches and it was nice to see a lot of new members taking part in our men's golf events.

## *A letter from Men's Golf*

**Men's Golf– Tim Casale**

**Email: [timc52478@yahoo.com](mailto:timc52478@yahoo.com)**

The Men's Fall One Day Member Guest was held on 9/22 and 12 four man teams took part in an interesting 1 best ball on par 4s, and 2 best balls on par 3s and 5s format.

In the 2 day Senior Club Championship, Pat Fowler came out on top for the second year in a row. The following weekend, Pat then claimed the "Flight A" final of the club championship by defeating Jeff Beam. Congrats to Pat on his great tournament play this summer.

The Stokes and Greenwood Cups are nearing their conclusions as Tim Casale awaits the winner of Pat Fowler and Doney Largey to close out the finals. In the Greenwood Cup, the final match between Tom and Will Tone and Matt Orosz and Andrew Phillips will be played on October 23rd. Good luck to all competitors!

With the bunker project dates TBD, we will be working on a few final events for October, November and December. The Pro shop will post and email information as soon as we confirm dates.

## *A letter from Men's Golf*

**Men's Golf– Tony Casale**

**Email: [acasale41@yahoo.com](mailto:acasale41@yahoo.com)**

With the onset of Fall , the golf season is winding down. There will be plenty of nice golfing weather as the leaves continue to change color. On September 22 the retirees exacted some revenge on the men from Riverton for a defeat earlier in the season. During the match there was also closest to the pin contest won by Brian Deam and John Diepold both of MFC. There were also winners of pro shop credit selected by random. We look forward to next year's matches and the continuing of our friendly competition .

The official end day of the Senior Men's League will be Wednesday October 27 . There will be a eight golfer play-off beginning on October 13 involving the Three top winners from the first and second halves respectively.

The weather looks great for golf ,so go out and enjoy.

***Fall is here!***

### Ladies 18 Holers

Linda [Kastner-Lindkast@aol.com](mailto:Kastner-Lindkast@aol.com)

Carol Beard. - [carolabeard@yahoo.com](mailto:carolabeard@yahoo.com)

Our 2021 golf season is almost over. Our closing day has been changed from Tuesday October 26 to Tuesday October 19 in order to kick off Moorestown Field Club's bowling season on October 26. We will play a shotgun 9 hole scramble at 9:30 followed by lunch and closing day awards at the Cubby Hole on Main Street.

As we move into the next season, we look forward to playing Polar Bears chaired by Peggy Kehs. A sign up sheet will be posted in the locker room and money collected for this next golfing event.

Many of us look forward to bowling on Tuesday mornings at Laurel Lanes, Mt. Laurel and encourage all ladies belonging to the Club, to join the League. We have a lot of fun and we welcome all levels of skill! If interested please call Kathy Dalon-856-577-4145.

We would like to congratulate the 18 Holers who played in the WGAP Senior/Super Senior Championship in Coatesville, Pa. on September 21st. Katie Alexander won Senior Class C Low Gross and Kris Furey won Super Senior Low Net Class D. Congratulations to the 9 Holers who won Senior Class D-Anne Cantwell-Low Gross and Trish Trivinia-Low Net. We are so proud of our Club and the Ladies who are representing it.

### **Ladies 9-Holers- Trish Trivinia**

**Email: [trisha72061@gmail.com](mailto:trisha72061@gmail.com)**

The 9 Holer Closing Day is Thursday, October 28th. The theme is Halloween, so come in costume!! The cost is \$35 and will include a boxed lunch. The signup sheet is posted in the ladies' locker room, along with an event envelope (make checks out to MFC 9 Holers). Space is limited, make sure you sign up quickly, so you don't miss a fun event that will close out our 2021 golf season.

Congratulations to the following 9 Holers for their big wins at the Women's Golf Association of Philadelphia's Senior & Super Senior Championships on September 21st at Coatesville Country Club:

#### **Senior Class C:**

Low Gross - Katie Alexander

#### **Senior Class D:**

Low Gross - Anne Cantwell

Low Net - Trish Trivinia

#### **Super Senior Class D:**

Low Net - Kris Furey

We have an excited group of our ladies leaving for a 3-day golf trip through the Philadelphia Golf Association to Pebble Beach on October 7th. Safe travels to the group and have a great time!

Enjoy the beautiful fall weather and see you at Closing Day!

## Need Reservations for the Dining Room?

You can make a reservation in many ways!

Contact Foodwerx at 856-235-1464 x3

Email: [office@moorestownfc.com](mailto:office@moorestownfc.com)

Or visit our website and complete the reservation request form under Dining!

Please keep in mind that we ask for reservations for any group/party

### ***Dining Hours***

|                     |             |
|---------------------|-------------|
| Monday              | Closed      |
| Tuesday-Bar<br>Only | 11:00—6:00  |
| Wednesday           | 11:00— 9:00 |

## *A letter from the Dining Committee*

**Bill Morsell**

**Email: [morsell@comcast.net](mailto:morsell@comcast.net)**

For the month of October our hours of operation continue to be:

- Monday - closed
- Tuesday - Bar only - 11:00 AM to 6:00 PM
- Wednesday through Friday - Dining Room and Bar - 11:00 AM to 9:00 PM
- Saturday - Dining Room and Bar - 11:00 AM to 6:00 PM
- Sunday - Dining Room and Bar - 11:00 AM to 3:00 PM

Please remember that reservations are required for groups of six or more. To make a reservation you can call Foodwerx at 856-231-8886 or access the MFC webpage and complete the Registration Request Form. All reservations will be confirmed within 24 hours. If you need to cancel your reservation, please be sure to call Foodwerx at the same telephone number mentioned above.

Foodwerx is still struggling to hire and retain qualified personnel. Please be patient with their staff.

Thank you for your support.

The Dining and Bar Committee

### ***Celebrating a Special Occasion?***

Why not rent the dining room/sun room for your next event? As a member of MFC you will receive a 50% discount on the rental fee!

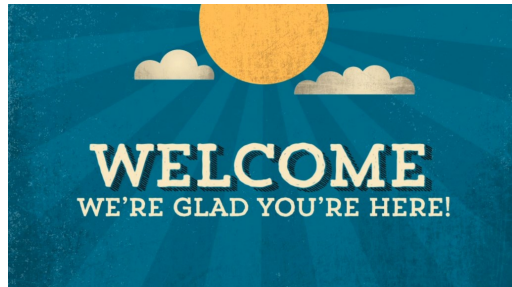

Contact Lisa Pine for your next event at 856-235-1464 x1
