A letter from the President

President: Brian Deam

Email: president@moorestownfc.com

Dear Members,

Despite the heat wave and summer vacations, the club was very active in July. The number of rounds played was comparable to July of '21, which was a record, and the courts were busy.

A shout out to John Carpinelli and his staff for maintaining the course in such excellent condition during the recent heat wave. When I played last week, I expected hard fairways and greens and instead encountered lush and soft conditions. Their extensive watering and diligence during the days and evenings really paid off. Let them know that you appreciate their efforts.

Congratulations to our Level II tennis team on winning the 2022 Level II South Jersey Summer League. The team is captained by Jenn Carlton and team members are Dana Krisanda, Steph Morrison, Barb Hendrickson, Deb Hochberg, and Michelle Jagodzinski.

A new lunch menu was recently implemented - come on out and try the new appetizers, salads, and sandwiches. A new dinner menu will be out shortly; keep an eye out for an email. On Saturday, August 27th, there will be a Family-Style Seafood Boil; reservations are required. In September, our Social Committee will hold a Member Appreciation event, which will be free to all members; details will be forthcoming later this month.

At the July Board meeting we selected the members of the Nominating Committee, who will select the candidates for the four positions up for election this fall – President, Treasurer, and 2 Trustees. If you are interested in any of these positions, please submit an application for consideration. The application form is available from our business manager.

Welcome to the 14 new members that joined the club in July. Check out their names and sports on page 13. We still have a waiting list for new golf members and the Board just approved a new non-equity House membership for new members only. It has all the privileges and dues of a House membership but does not require a bond to join.

Please do not leave valuables in your car and be sure to lock it. Incidents of car break-ins in the Moorestown area persist.

We know August is a popular month for vacations, but did you also know: before being named after Augustus Caesar it was called Sextilis (the six month of the calendar); the number of days in the month has changed several times - first it was 30 days. Then, 31. When January and February came onto the scene, it was reduced to 29 days. Then, Julius Caesar changed it back to 31; and August 16th is national rum day – we should have a special on daiquiris!

Enjoy the rest of your summer and we will see you at the club!

MFC On-Course Restroom

Our new restroom is now operational! The code for the door handle is 1892. We strongly encourage all members to use the new facility rather than the shrubbery. Its location between the 3rd and 6th greens means that along with the clubhouse there is a bathroom facility every three holes. So remember, Play Three Before You Pee!

Board Member Spotlight

Patrick Fowler

I have been a Field Club member, along with my wife Audrey, for 17 years. You will see us on many summer evenings at the Field Club, either playing golf or dining on the patio.

Growing up in a rural Kentucky town, I was fortunate enough to learn and play golf at a 9 hole course starting when I was nine years old. To be honest, there wasn't much else to do! I played competitive golf through high school and college. In the past few years, I've gotten back to playing competitive golf again, playing in GAP matches, the Stokes and Greenwood Cups, the Senior and regular Club Championships, or with the early weekend morning group.

Audrey and I moved to Moorestown from California in 1998 with our three children: Chase, Scout, and Saylor. They all went through the wonderful Moorestown school system, graduated from college, and each have now returned to their roots in California, providing us with a good reason to get back to California for visits and some winter golf.

Professionally, I am a chemical engineer by education, and also obtained an MBA along the way. During my career, I have worked in technical and supply chain management roles. I have also been a long time member and current secretary of the Sustainable Moorestown Township committee.

I have been Treasurer at the Field Club since 2020. It has been exciting to see the growth of the club during that time with thanks to the current and past Boards and staff for all of the hard work to invest and improve the course, renovate the clubhouse, and add the bar area.

I look forward to seeing you all at the Field Club!

Summer Team Champs!

Our Level II team captained by Jenn Canton won the 2022 Level II South Jersey Summer League. It was the first time the team has won the league and did so by 2 points. The team is composed mainly of the Cup 6 spring league team which also had a very successful season. Team members along with Jenn include Dana Krisanda, Steph Morrison, Barb Hendrickson, Deb Hochberg, Michelle Jagodzinski, and a host of subs who played several matches for the team.

Our Cup I team also had a strong showing, finishing in fourth place playing in some tough competition against some of the strongest players in South Jersey. Cup 1 is captained by Lynn Rohrbach. Players for our Level 1 team with Lynn include Andrea Giacobbo, Sally Finley, Ivey Wang, Mi Lim, Cathy Hipple, Jeanie Gamble, and Cathy Richards.

Club Tournament

Club Tournament is planned to start in early September. Our 2022 club will begin in a round robin format the first week of September. Events include: Mens Singles, Ladies Doubles, and Mixed Doubles. Our champions will be decided by late October, early November. Players and teams have about two weeks to complete each round.

Junior summer tennis

Our junior program will continue into Labor Day weekend meeting Tuesday and Thursdays from 12:30-2 pm. Many players were away in July but we continue right up to the start of school and then the same days once school starts from 3:45-5:15 pm.

Group Clinics continue to grow. MFC breaks down our adult groups into categories, each one meeting several times a week.

Levels are:

- 1 Advanced mixed
- 2 Advanced Intermediate
- 3 Intermediate
- 4 Intermediate Beginner.

Please contact Mike to find the right day/time/level for you.

Tennis Tip

It's getting downright hot. Dress the part. No cotton, no dark colors, wear a light, preferably dry fit, hat, Also, remember it's just as important to eat as it is drink. Stomach nausea from heat is usually from lack of food. No dairy and some carbohydrates. A bagel goes along way on a hot day.

August member feature: Craig Mehnert

Craig joined MFC four years ago after watching his son take lessons. He decided he wanted to become good. Now Craig is playing a bunch, doing drills, Men's league, and organizing the Monday / Wednesday morning doubles. Craig retired in his 50s after a very successful business career and found he had the time to play. Craig is always lending a helping hand to someone whether he is helping Mike shovel winter snow off the courts, feeding balls for a third court of drills, helping his niece build a home, taking care of his parents, and donating his accounting skills to seniors during tax season. Craig is truly an asset to MFC! His son Mercury will be a freshmen at Moorestown HS and will be trying out for the tennis team.

Ladies Golf

Ladies 9-Holers– Lisa Paparone

Email: LisaPap1@comcast.net

I hope everyone is enjoying their summer and you've all been able to get some rounds of golf in!

For now, we are just playing our usual Thursday morning rounds, not many other events, until our 9 Hole Championship starts in September. You are automatically entered when you play and submit your scores on the specified days of the championship. No sign up is required. The Front Nine is played on September 22, the Back Nine is on September 29th. October 6th is the rain date. Additional details are in the handbook.

Closing Day will be Thursday, October 13th.

Remember to turn in your cards to the Pro shop after your Thursday morning rounds. Scores will be recorded for purposes of the Thursday weekly 9-Holer tournaments, and you will be competing with other players in your flight, which is based on handicaps, so your chances of winning are as good as anyone else's. Don't be shy about submitting your scorecard. PLUS, the Pro shop will enter your scores into the GHIN handicap system so you don't have to.

Men's Golf—Tim Casale

July definitely turned on the heat and along with that the **Progressive Pressure Tournament** saw some heat and pressure put on its competitors. The four player team format consisted of counting the best ball on holes 1-6, 2 best balls holes 7-11, three best balls holes 12-15 and all four balls counting in the final 3 holes. In the end, the team of **Jack Robinson, Brian Celhar, Geoff Celhar** and **Drew Krisanda** withstood the heat and the pressure, shooting a blistering net score of 143, 17 under par.

The **Stokes Tournament** has reached the final 5 competitors with **Tim Casale** set to face **John Diepold**, while **Adam Shaw** awaits the winner of **Mike McCool** and **Chris Bain**.

The **Greenwood Cup** still has a couple matches left in the Final 8 portion, but the teams of **Ed McGugan/Peter Ellison** and **Pat Fowler/Bill Van Fossen** are awaiting their opponents in the Final Four.

In the **Men's Club Championship**, defending champ **Kevin Kramarski** has advanced to the final and awaits the winner of **Doug Dreby** and **Tim Casale**. The 36 hole match play final will take place on a weekend in August.

Good luck to all of the remaining competitors.

Speaking of Kevin Kramarski, in this month's edition of **Kramarski Korner**, Kevin and Jim both competed in the **118th GAP Open** at Philadelphia Cricket Club's' Wissahickon Course. Jim would play in the morning shooting a respectable 7 over 77. Kevin went off in the afternoon and shot a 6 over 76. Unfortunately, the cut line landed on 5 over and both brothers failed to qualify for the second round. Kevin will be competing in the **120th Joseph Patterson Cup** at St. David's Country Club August 3rd & 4th. Congrats, good luck and thanks for representing the Field Club.

Thursday night 9 hole league has 4 Thursdays left in August. **George sent an email on June 2nd with the formats for each week through August.** Come out and have some fun with your friends or match up and meet some new members. Check with the Pro shop for the weekly format and sign up letting them know you are playing. Tee times can start as early as 3:30 pm and anyone can join.

Please check with the Pro shop for future tournament sign ups!

Remaining Men's Golf Schedule

- **Saturday, August 20th— Men's Golf Event**
- **September 3rd—5th—Labor Day Drop in Event**

- **Senior, Super Senior & Legendary Club Championships- Saturday & Sunday September 17 & 18**

Dining Committee

Dining Committee: Tim D'Angelo, Chairman

Email: timothydangelo@yahoo.com

The dog days of summer are truly amongst us! I hope everyone is having a nice time traveling or simply being with family and friends during this time. The dining/bar committee has been busy this summer working on ideas for new menu items and looking forward to many new events for the fall.

We had a great evening of entertainment with the "Amptons" band on July 21st. If you couldn't join us that evening, we hope to have them back in the coming months and you truly do not want to miss this exciting duo who got everyone up and dancing and enjoying themselves.

Also, we have launched a revised menu with many great additions. The bone-in chicken wings, brisket sandwich, and the salmon arugula salad are a few of the very good additions. You will also see that the menu now delineates items that are gluten free (GF) or vegetarian (V). We hope that this helps with any of the membership's dietary needs!

If you haven't dined at the club in awhile, I would encourage you to come in or order take out. The kitchen staff has really done a nice job listening to the needs and wants of the membership and has something for everyone. Looking ahead, we hope to have a family-style, indoor/outdoor "Seafood Boil" at the end of August. This will be a great way to conclude a busy, hot summer and get ready for more great things this fall. We are hoping to transform MFC into a dining/bar destination for all of us, and not just a convenience when we are done with our golf rounds or tennis matches.

Firecracker Scramble

What's better than a 4th of July BBQ and fireworks to celebrate America's Independence? How about doing it with friends at MFC!

On Monday, July 4th, 24 members decided to fight for their golfing independence in the Firecracker Scramble. Teams of 4 fought hard over 9 holes in the sweltering July heat. There were moments of precision shot making over rough terrain to go along with the duffs and missed putts. In the end, there was no clear winner as two groups of Patriots both posted a -5.

Congratulations to everyone who fought to the end. The Co-Champions are:

- Greg Lofgren, Rich Jagodzinski, Frank Angelini and Michael Testa
- Rob Kania, James Wildish, Mike Thornton and Tim D'Angelo

Special thanks to John Carpinelli, George Frake and all of the MFC team who make MFC and America great!
